PROFESSIONAL SUMMARY

Angular Developer with 2+ years of experience building scalable Single Page Applications (SPAs), reusable component libraries and responsive, high-performance user interfaces using Angular (14+), TypeScript, RxJS, NgRx and SCSS. Contributed to Travzilla Pro, a Travel ERP serving 55+ global clients across 20+ countries, and to the TravEngine multi-service travel booking platform, alongside production e-commerce applications. Strong in reactive forms, state management and REST API integration, with full stack exposure to ASP.NET Core (C#), Node.js and SQL databases. Experienced in Agile teams and Git workflows.

TECHNICAL SKILLS

Frontend: Angular (14+), TypeScript, JavaScript (ES6+), RxJS, NgRx, Angular Material, Reactive Forms, HTML5, CSS3, SCSS, Responsive Design

Backend: ASP.NET Core, C#, Node.js, RESTful APIs, JWT Authentication

Databases: SQL Server, MySQL, SQL Query Optimization, Database Schema Design

Tools & Version Control: Git, GitHub, GitLab, Postman, Visual Studio, VS Code, Angular CLI, npm

Concepts: OOP, Dependency Injection, Reactive Programming, State Management, REST API Design, Cross-Browser Compatibility, Performance Optimization, Agile / Scrum, Payment Gateway Integration

AI Tools: GitHub Copilot, Cursor AI, ChatGPT, Claude

PROFESSIONAL EXPERIENCE

Software Engineer (Full Stack – Angular / .NET Core) **May 2026 – Present**

GenX eSolutions, Noida, Uttar Pradesh, India

- Developed and maintained responsive Angular (14+) Single Page Applications and reusable UI components with TypeScript and SCSS for Travzilla Pro, a Travel ERP serving 55+ clients across 20+ countries, delivering a consistent UI across browsers and devices.
- Built dynamic search, filtering and booking workflows using RxJS (Observables, Subjects, operators) and NgRx to manage asynchronous data streams and application state.
- Implemented multi-step booking forms with Angular Reactive Forms, custom validators and real-time error handling to improve data accuracy and user experience.
- Integrated REST and XML APIs with ASP.NET Core (C#) backend services and optimized frontend performance for data-heavy ERP screens.

Software Developer Executive **Oct 2025 – Feb 2026**

Align Info Solutions Pvt Ltd, Noida, Uttar Pradesh, India

- Designed and developed responsive, mobile-first web applications using Angular, JavaScript (ES6+), HTML5 and CSS3, collaborating with cross-functional teams in an Agile environment to deliver functional and visual requirements.
- Developed REST API integrations using Node.js and managed database connectivity, optimizing relational SQL queries to improve data retrieval speed and application performance across devices.

Web Developer **Jun 2024 – Sep 2025**

Krati Tech Pvt Ltd, Kanpur, Uttar Pradesh, India

- Developed and maintained responsive web applications using Angular, TypeScript, HTML5 and CSS3, ensuring cross-browser compatibility and intuitive UI workflows.
- Designed secure MySQL database schemas and integrated RESTful APIs with Node.js backends for reliable user data storage and smooth client–server communication.

PROJECTS

TravEngine – Travel Booking Platform | alb-ui.travengine.com **May 2026 – Present**

Angular, TypeScript, RxJS, Angular Reactive Forms, SCSS, REST APIs

- Developed key modules of a multi-service travel booking platform where users create bookings for hotels, transportation, activities, tours and packages from a single interface.
- Built search, filtering and multi-step booking workflows with Angular, RxJS and Reactive Forms (custom validators, real-time error handling), implemented lazy loading, route guards and HTTP interceptors, and developed reusable, responsive UI components in TypeScript and SCSS.

Mohta Ayurved – E-Commerce Platform | mohtaayurved.com **Oct 2024 – Mar 2025**

Angular, Node.js, REST APIs, Payment Gateway Integration

- Engineered an Ayurvedic medicine e-commerce platform with Angular: catalog search, cart, checkout, order management and secure payment gateway integration, with role-based admin controls.
- Built an administrative dashboard enabling non-technical staff to manage product inventory and orders independently.

EDUCATION

Bachelor of Technology in Computer Science and Engineering **Jul 2019 – Jul 2023**

Dr. A.P.J. Abdul Kalam Technical University (AKTU), Uttar Pradesh, India | CGPA: 8.37 / 10.0
